*and where communities of learners need us*

## Our Purpose

**We create and provide affordable and inclusive learning opportunities that meet the needs of individuals, employers and communities**

## Our Philosophy

**We believe that participation in quality life-long learning is transformational**

## Our Vision to 2022

---

# Empowering 10,000 Better Futures

- Career Training for jobs in growth industries
- English for migrants to enable employment, settlement and study
- Employability and Foundation skills for disadvantaged jobseekers
- Digital Literacy to get more people connected
- Inclusive, affordable short courses for Life-long Learning  
(and friendship, fitness and fun!)

Inspiring and Supporting a diverse spectrum  
of learners to “Climb the Ladder of Learning”
