**Under the guidance from our head chef,  
employ women from the services we  
support to make our food. Our program  
Work Work aims to reconnect the women  
from long term unemployment to full time  
work.**

**“Thank you so much for all of your support and love till date. I have no words to express my gratitude to you all. You helped me when there was nobody to help. You are the one who have not only made me feel I have the right to dream but also made me believe that it is definitely possible.” Srabanty.**

**We love what we do, but we'd prefer if there wasn't a need. We produced this in attempt to reduce the number of domestic violence deaths each year.**
