In the short time I've been part of the program, my mentee has taught me a lot about resilience and determination. She has overcome many obstacles on her path and even as the mentor, I always feel that I'm the one learning something new during our meet ups".....Josie

‘Migration is like removing a tree from its soil and
planting it in a new garden.

Without support there is a high chance it
wont thrive in its new environment’...Arash

'The day that I was shaking hands with
the Premier and Transport Minister
I was thinking it would never have happened if
I did not have
John's support and encouragement behind me.

Thank you for everything'.....Arash

‘All it takes is one door to open,
one person to open their mind and see what wonderful
skills and talents your mentee has.
When that door opens and your mentee gets the job
that they’ve been striving for,
that’s the priceless reward of being their mentor’.....Belinda
