# DEFINE WHAT YOU NEED

The screenshot shows the Salesforce interface for the 'RIO Education Reporting' app. The 'Validation Configuration' tab is active, displaying a list of metadata conversions. A yellow circle highlights the 'Metadata Conversions' link in the left sidebar. The main content area shows a table of conversions with columns: LABEL, EXPORT FILE STANDARD, EXPORT DATA FIELD, DATA FIELD OPTION, and DATA FIELD TARGET VALUE. The table lists various educational data points and their corresponding export standards and target values.

**Validation Configuration**

**Metadata Conversions**

Choose the field values or options to be translated in reporting generation.
