*“ all I know is that  
I know nothing,  
and I’m not even  
sure about that ”*

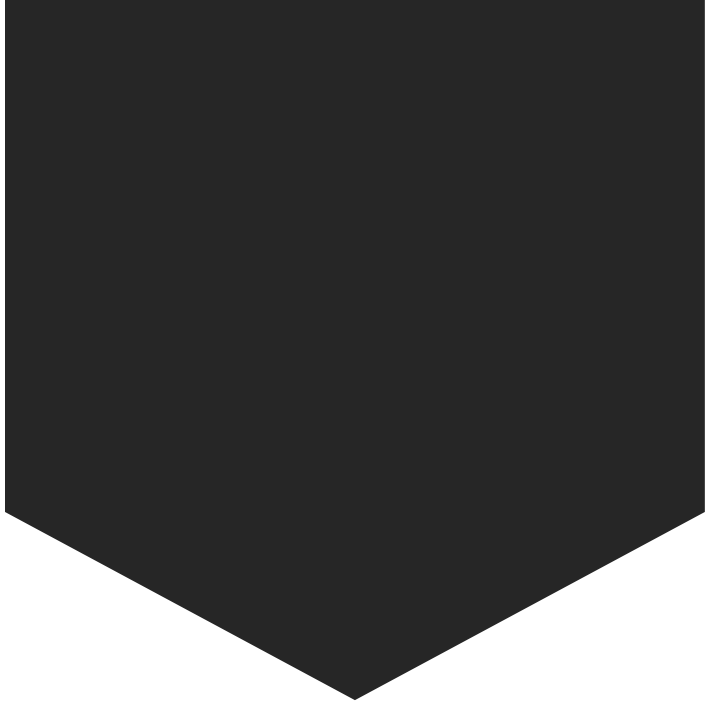

# A VET System Made in Heaven

Rod McDonald

19 November 2019

# Australia needs a VET system that:

# Australia needs a VET system that:

- ❖ Meets the skill needs of today – and tomorrow

# Australia needs a VET system that:

- ❖ Meets the skill needs of today – and tomorrow
- ❖ Invests wisely in education and training

# Australia needs a VET system that:

- ❖ Meets the skill needs of today – and tomorrow
- ❖ Invests wisely in education and training
- ❖ Produces outcomes that are valued

# Australia needs a VET system that:

- ❖ Meets the skill needs of today – and tomorrow

# Meets the skill needs of today – and tomorrow

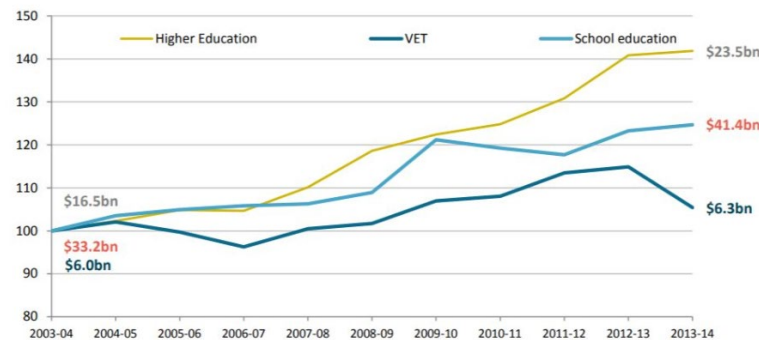

# Australia needs a VET system that:

- ❖ Meets the skill needs of today – and tomorrow
- ❖ Invests wisely in education and training

# Australia needs a VET system that:

- ❖ Meets the skill needs of today – and tomorrow
- ❖ Invests wisely in education and training

To whom?

For what?

# Invests wisely in education and training

- ❖ *Consistent, national funding priorities and principles*
- ❖ *Appetite for risk*
- ❖ *Shared national vision*

# Australia needs a VET system that:

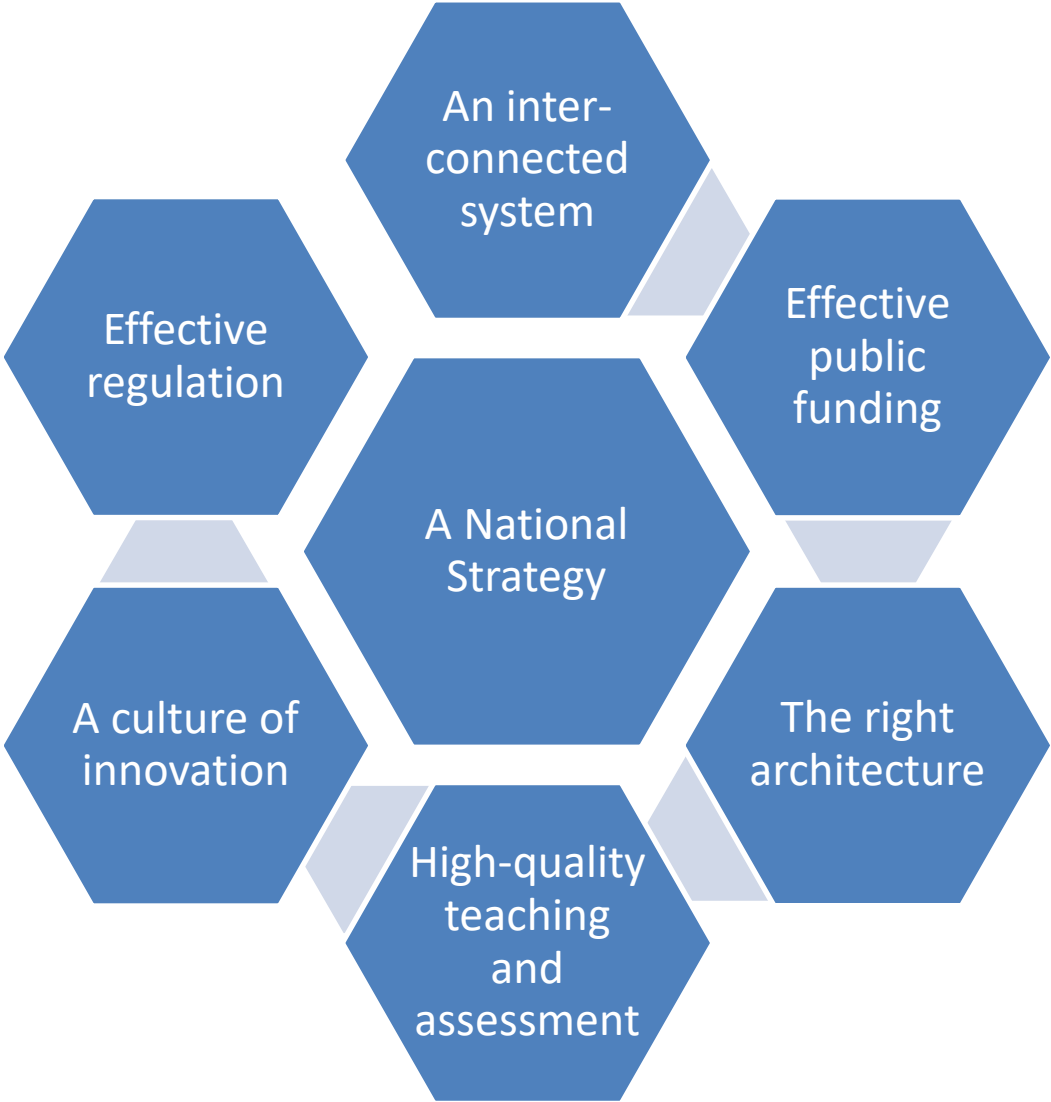

- ❖ Meets the skill needs of today – and tomorrow
- ❖ Invests wisely in education and training
- ❖ Produces outcomes that are valued

# Produces outcomes that are valued

- ❖ Transparent audit practices
- ❖ Valid and authentic assessment
- ❖ Standards for VET practitioners

# To bring this about we need:

*ithaca group*  
**ITHACA GROUP**
