SCRIBBLE

Live Captions Running

- CCA takes accessibility seriously
- So Live Captions are available across today's conference
- Click the Live Captions link in the conference app
- Captions will be streamed in near real-time to your device
- Customise SCRIBBLE font sizes, background colours and more in top right hand corner menu anytime
- Enjoy our inclusive technology and visit our stand outside for more info

EXPANDING POSSIBILITIES

Search Results

Featured snippet from the web

“Expand possibilities” focuses on how we help each other learn and grow by connecting with other people, ideas, experiences, and places in ways that help us grow and **expand** our worlds so that each person can be and become their best selves.

<https://keepconnected.searchinstitute.org > expand-possibilities>

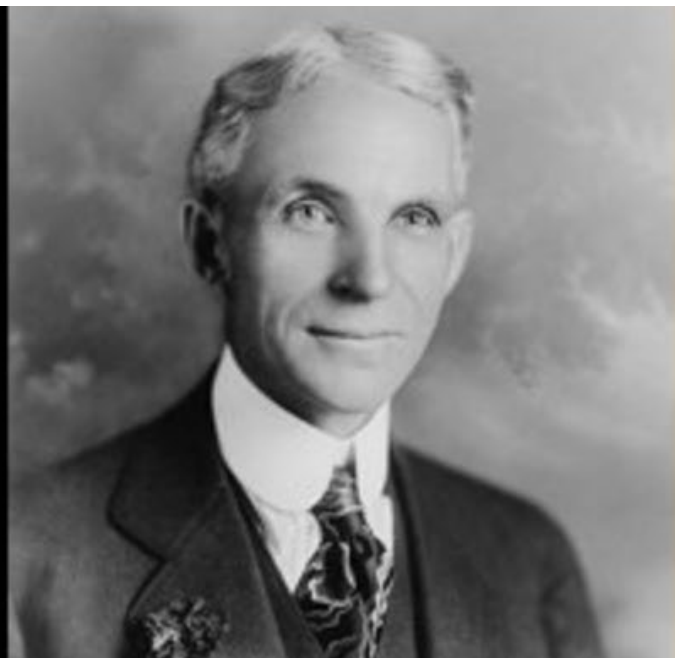

What are the facts

- 4.4% of people in Australia use wheelchairs
- 1 in 6 people in Australia experience hearing loss or impairment
- Autism, auditory processing disorders
- 22% have English as a second language

**Whether you think you
can or you
cannot, either way
you are right**

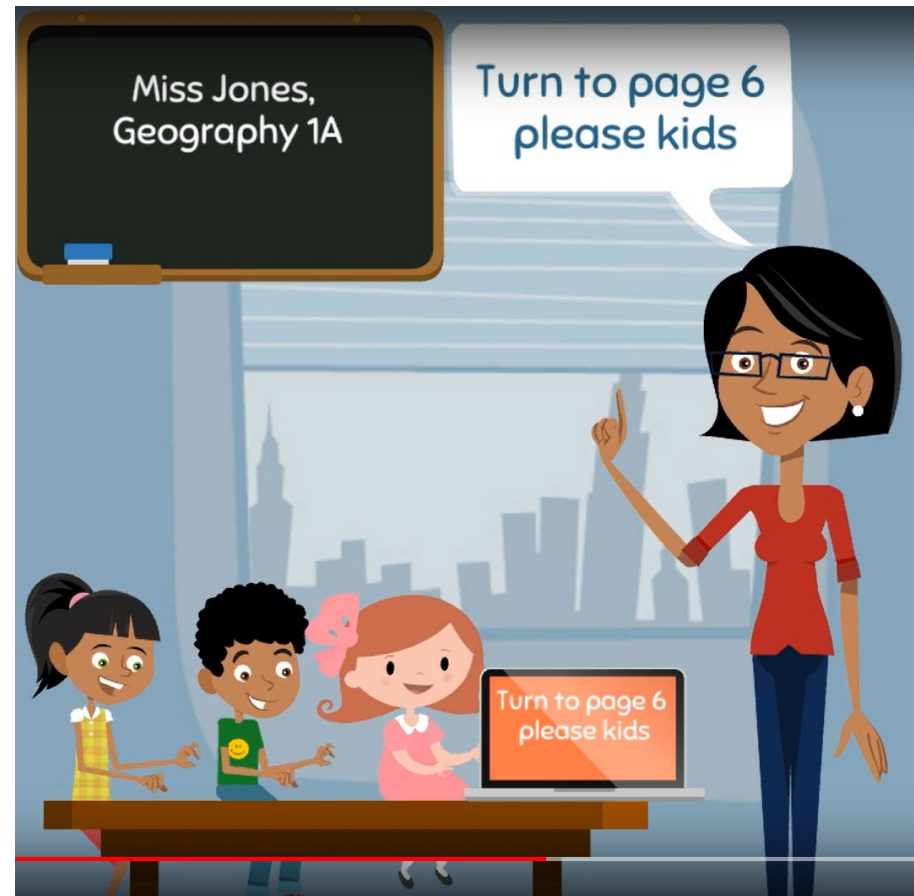

~ Henry Ford ~

Live Demo

How does it work

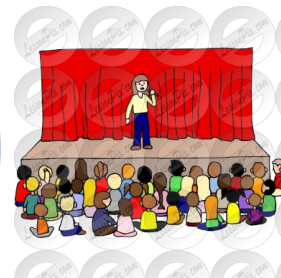

- School or tertiary education laptop with SCRIBBLE installed
- Lapel microphone on the teacher
- Web browser for the students
